Certificate of Attendance for

Tommaso Lubrano

Città della Scienza e della Salute di Torino

Italy

Day(s) of attendance:

Sunday June 5, Monday June 6, Tuesday June 7, Wednesday June 8

The '38th International Congress of the European Hernia Society' is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net. The '38th International Congress of the European Hernia Society' is designated for a maximum of 18 hours of European external CME credits. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity. Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credit to AMA credit can be found at www.ama-assn.org/go/internationalcme. Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada

The '38th International Congress of the European Hernia Society' is accredited by the Dutch Society for Surgeons (NVvH) for a total of 26 points (4,5 points for the pre-course on Sunday, 7,5 points for Monday, 7 points for Tuesday and 4,5 points for Wednesday).

Prof. dr. J.F. Lange

Dr. R.K.J. Simmermacher
